## The 24<sup>th</sup> Annual Neff Elementary School's Project Fair and Open House

Wednesday, March 4<sup>th</sup>, 2020 ~ 5:30pm – 7:00pm

Dear Students,

On Wednesday, March 4<sup>th</sup>, 2020, Neff Elementary will be having its annual Spring Open House, Book Fair, and Project Fair! Everyone is invited to participate in the Project Fair!

In a project fair, you choose a topic that interests you, research it, and prepare a display to share what you have learned with others. You can create a poster, a diorama, a model, a demonstration, a PowerPoint presentation on the computer or use any other format that you can think of to share your interest with others. Your work is not judged, and all participants will be recognized. **The project fair is optional, and you do not have to participate.**

Take this information home and discuss your ideas with your family. If you are interested, fill out the attached registration form, and return it to your teacher. **Registration forms are due Wednesday, February 5, 2020.**

We have talented students at Neff Elementary and this is your chance to shine. Project Fair entries can be fun and informative. Don't wait until the last minute to plan your project. Begin planning now when the weather is cold outside. A project takes thought, planning and time. Have fun researching, planning, and creating!!
